

ECONOMY SHUT-OFF "DUMMY" GLADHAND

Economy "Dummy"

Part No.	Description
12-0100	Aluminum

- Inexpensive way to seal rear gladhands for double trailers
- For double trailers
- Provides air-tight shut-off
- 16" cable with ring terminal

CORROSION-RESISTANT GLADHANDS

- Anodized for increased protection against magnesium chloride, road salts and chemicals
- Designed for highly corrosive operating conditions
- Wrap-around connector plate provides additional strength
- Powder-coated connector plate for corrosion protection
- Zinc-coated detent plates
- E-coated screws for corrosion protection
- Polyurethane seal
- Meets SAE J318 specifications

Straight Mount

Part No.	Description
12-00623	Service, blue, anodized, 1/2" female pipe thread
12-00823	Emergency, red, anodized, 1/2" female pipe thread

Trailer Mount

Part No.	Description
12-13623	Service, bottom port, blue, anodized, 3/8" female pipe thread
12-13823	Emergency, bottom port, red, anodized, 3/8" female pipe thread

STANDARD GLADHANDS

- Wrap-around connector plate provides additional strength
- Powder-coated connector plate for corrosion resistance
- Zinc-coated detent plates
- E-coated screws for corrosion protection
- Meets SAE J318 specifications

- Stainless steel detent plates and connector plates available, please contact customer service

Straight Mount

Part No.	Description
12-006	Service, blue, 1/2" female pipe thread
12-0061	Service, blue, with filter screen, 1/2" female pipe thread
12-006D	Service, blue, display pack, 1/2" female pipe thread
12-008	Emergency, red, 1/2" female pipe thread
12-0081	Emergency, red, with filter screen, 1/2" female pipe thread
12-008D	Emergency, red, display pack, 1/2" female pipe thread
12-010	Universal, 1/2" female pipe thread
12-010D	Universal, display pack, 1/2" female pipe thread

Trailer Mount (38°)

Part No.	Description
12-136	Service, blue, bottom port, 3/8" female pipe thread
12-1361	Service, blue, with filter screen, bottom port, 3/8" female pipe thread
12-13617	Service, blue, with filter screen, rear port, 3/8" female pipe thread
12-138	Emergency, red, bottom port, 3/8" female pipe thread
12-1381	Emergency, red, with filter screen, bottom port, 3/8" female pipe thread
12-13817	Emergency, red, with filter screen, rear port, 3/8" female pipe thread

Cast Iron

Part No.	Description
12-406	Service, blue polyurethane seal, 1/2" female pipe thread
12-408	Emergency, red polyurethane seal, 1/2" female pipe thread
12-410	Universal, black polyurethane seal, 1/2" female pipe thread
12-41010	Universal, black polyurethane seal w/ dust flaps & screen, 1/2" female pipe thread

QWIK-E GLADHANDS

- Cuts brake release time in half!
- Quick-release valve and gladhand combined
- Reduces tire flat spots
- Anodized housing for corrosion protection
- For use with ABS and non-ABS brake systems

- Improves response time of brake release - Drivers love it!
- Standard equipment on most OEM trailers
- Meets SAE J318 specifications
- By reducing brake lining and drum wear, thousands of dollars are saved over the life of the trailer
- Trailer brakes are released up to 50% faster than conventional methods

Straight Mount

Part No.	Description
12-206	1/2" female pipe thread without filter screen
12-2061	1/2" female pipe thread with filter screen
12-206B	12-206, individually bagged

Trailer Mount

Part No.	Description
12-236	3/8" female pipe thread bottom port
12-2361	3/8" female pipe thread bottom port with filter screen
12-23617	3/8" female pipe thread rear port with filter screen
12-2367	3/8" female pipe thread rear port
12-236B	12-236, individually bagged

LATCH-IT™ GLADHAND

Part No.	Description
12-1119	Universal, 1/2" female pipe thread
12-1169	Service, blue, 1/2" female pipe thread
12-1189	Emergency, red, 1/2" female pipe thread

- HELPS PREVENT ACCIDENTAL GLADHAND DISCONNECTIONS
- Patented latch provides a positive lock
- Easy-grip feature ensures fast coupling/uncoupling, even w/ gloves
- Powder-coated for easy identification
- Stainless steel connector plate & spring for longevity
- Polyurethane seal
- Meets SAE J318 specifications

STA-LOCK™ GLADHANDS **NEW**

Part No.	Description
12-340	Universal
12-346	Service, blue, 1/2" female pipe thread
12-348	Emergency, red, 1/2" female pipe thread

- Durable cast iron connector plate
- Aluminum body to save weight
- Stainless steel ball-bearing provides a positive lock for gladhand mating

STA-LOCK™ Cast Iron Swinger Gladhands **NEW**

Part No.	Description
12-4906	90° with service gladhand
12-4908	90° with emergency gladhand

- LIVE SWIVEL - Gladhand swivels 180° without kinking air line or causing potential leaks
- Stainless steel ball-bearing on connector plate provides a positive lock for gladhand mating, avoiding premature unlatching ensuring a longer life
- Cast iron housing for durability
- Stainless steel return spring for corrosion protection and strength
- Slotted mounting holes for ease of mounting or retrofitting
- Designed for chassis and trailers where glad hands are

ANODIZED SWINGER GLADHANDS **NEW**

Part No.	Description
12-4506	45° with service gladhand, 3/8 female pipe thread, bottom
12-4508	45° with emergency gladhand, 3/8 female pipe thread, bottom
12-453629	45° with STA-LOCK™ service gladhand, blue
12-453829	45° with STA-LOCK™ emergency gladhand, red
12-4546	45° with cast iron service gladhand, 3/8 female pipe thread, bottom
12-4548	45° with cast iron emergency gladhand, 3/8 female pipe thread, bottom
12-4526	45° with QWIK-E® gladhand, 3/8 female pipe thread, bottom

- GLADHAND SWIVELS 180° WITHOUT KINKING AIR LINE!
- Anodized for increased protection against magnesium chloride, road salt and chemicals
- When not in use, gladhand is automatically returned to seal, protecting the air lines
- Designed for intermodal and piggy-back trailers where straight or angled gladhands are exposed to damage

SHUT-OFF GLADHANDS **NEW**

Part No.	Description
12-306	Service, blue, 1/2" air tube
12-308	Emergency, red, 3/8" air tube
12-310	Emergency, red, 1/2" air tube

- Comes Standard with 12-0167 Dust flap poly Seal
- Includes bulkhead fitting

Surface Mount

Part No.	Description
12-336	Service, blue, 3/8" female pipe thread
12-338	Emergency, red, 3/8" female pipe thread

- For double trailers
- Integrated shut-off valve
- Color-coded connector plate for easy identification
- Meets SAE J318

COMPOSITE SHUT-OFF GLADHANDS **NEW**

Part No.	Description
12-316	Service, blue, 3/8" female pipe thread
12-318	Emergency, red, 3/8" female pipe thread

Bulkhead Mount

Part No.	Description
12-326	Service, blue, 3/8" female pipe thread
12-328	Emergency, red, 3/8" female pipe thread

- For double trailers
- Composite materials for increased protection against magnesium chloride, road salts and chemicals
- Integrated shut-off arm to seal air system
- Molded in color for easy identification
- Standard with 12-0167 Dust flap Poly Seal
- Patented (#5,348,043)
