

SKF Hubodometer

Reliable, accurate tracking for leasing or maintenance miles

SKF Hubodometer

Backed by our industry-leading warranty, our hubodometer has been engineered for superior durability and accuracy. Keep track of miles to ensure timely maintenance and help avoid catastrophic and costly mechanical failures with this premium quality hubodometer.

SKF Hubodometer – designed for unsurpassed performance

The heavy duty SKF Hubodometer is built to stand up to the elements and rough roads while delivering accuracy, mile after mile.

WATERPROOF, ANTI-FOG LENS

Keeps moisture out for constant, clear readability

CORROSION RESISTANT

Sealed, die-cast zinc case construction with inert gas and double o-ring protection

BUILT FOR STRENGTH

Precision shaft supported front and rear

LONG-TERM PROTECTION

500K miles/800K km warranty

Hubodometer that reads kilometers is blue faced; miles per hour is white faced.

Mounting washer and nut included.

BUILT WITH PRECISION

Angles upward and magnifying crystal enlarges view of digits

AVAILABLE IN KILOMETERS OR MILES

For added detail and convenience

COUNTERBALANCE DESIGN

Prevents orbiting to stay properly aligned and eliminates false readings – even on rough roads

SIZED FOR A WIDE RANGE OF TIRES

Coverage for 80% of tire sizes in the U.S. market
